

About Legacy

WHO WE ARE

Established in 1923, Legacy is a unique Australian charity dedicated to caring for the families of deceased or seriously injured veterans.

Since the Legacy promise was made by a soldier to his dying mate in the trenches of WW1 to "look after the missus and the kids," Legacy has supported Australian Defence Force families in times of great need.

Today, Legacy supports 43,000 partners and children of veterans who gave their lives or health while serving our country.

WHAT WE DO

The work of Legacy aims to ensure that our veterans' families can grow and thrive despite their adversity.

Our work can mean a child gets an education and a fair go, a widow is not disadvantaged and alone and a family is not torn apart by the effects of post-traumatic stress or other psychological injuries.
