

About Legacy

WHO WE ARE

Established in 1923, Legacy is a unique Australian charity dedicated to caring for the families of deceased or seriously injured veterans.

Since the Legacy promise was made by a soldier to his dying mate in the trenches of WW1 to "look after the missus and the kids," Legacy has supported Australian Defence Force families in times of great need.

Today, Legacy supports 43,000 partners and children of veterans who gave their lives or health while serving our country.

WHAT WE DO

The work of Legacy aims to ensure that our veterans' families can grow and thrive despite their adversity.

Our work can mean a child gets an education and a fair go, a widow is not disadvantaged and alone and a family is not torn apart by the effects of post-traumatic stress or other psychological injuries.

Volunteer with Legacy

Help make our work possible

Volunteers have played an important role in our organisation since its beginning. Many of our programs and services depend on volunteers to enable us to continue making a difference to the lives of our veterans' families.

Legacy is fortunate to have dedicated members, known as Legatees. However, as our work continues to grow, we are always on the lookout for passionate people to lend their time, share their skills and assist in various activities.

REASONS TO VOLUNTEER WITH LEGACY:

- ✔ Meet new people and form friendships
- ✔ Give back to the community
- ✔ Develop self-confidence
- ✔ Gain professional experience
- ✔ Learn new skills
- ✔ Make an impact to the lives of others

How you can help

Legacy has a diverse range of ways to support and care for the families and children.

 **Become a community visitor**
Check-in with a family or individual that Legacy helps to ensure they are socially connected and well-supported.

 **Raise funds and awareness**
Collect donations on behalf of Legacy and talk to the community about the work we do.

 **Provide administrative support**
Help Legacy staff by answering phones, assisting with bulk mail-outs, filing, data entry and other clerical tasks.

 **Lend a listening ear**
Volunteer at Legacy Line, a new phone service that connects volunteers with socially isolated beneficiaries enrolled with Legacy.

 **Help out at fundraising events**
Several events arise throughout the year where we need extra pairs of hands to serve food, distribute brochures or run activities.

 **Share a Skill**
If you have a specialised skill, you can volunteer your time within a range of operational areas, including IT, marketing, fundraising and more.

What else is involved?

All Legacy volunteers must have a valid Working with Children Check and a National Police Check. The cost will be reimbursed by Legacy.

Volunteers are our greatest resource, as we would not be able to continue our work without them.

With a range of short and long-term volunteer opportunities available, find a role that suits you today. If you are interested in helping, please get in touch:
