About Legacy

Since the Legacy promise was made by a soldier to his dying mate in the trenches of WWI to 'look after the family', Legacy has supported Australian Defence Force families in times of great need.

Today, Legacy supports 28,000 partners and children of veterans who gave their lives or health while serving our country.

Our work can mean a child gets an education and a fair go, a widow/er is not disadvantaged or alone and a family is not torn apart by the effects of post-traumatic stress or other psychological injuries.

Thank you!

Thank you for dedicating your time and energy to volunteer for Legacy. We are very grateful for your willingness to volunteer to raise awareness and vital funds for our veterans' families.
